

FOR MOHICAN NEWS:

“Hear Our Stories” Exhibit To Be Shown at Arvid E. Miller Library-Museum

We welcome you to see and hear our elders telling their stories. With the background of traditional oral history a new dimension has been added – actually being able to see our Elders talking about their lives and the lives of their families.

Thirty-eight (38) videos featuring forty-one (41) of our esteemed Stockbridge-Munsee Elders, plus another video entitled “We are Still Here” which is a compilation of all those filmed, are scheduled to be shown at the Arvid E. Miller Library/Museum over the next several months.

We hope you will come to watch and listen as these Elders include their wisdom, humor, and advice to the next generations as they respond to questions about their lives. This is great opportunity to get to know these Elders better as well. You’ll laugh and you might even cry.

Showings will be at 10 am and 2pm every day, Monday through Friday (except holidays). Each Elder’s video is assigned to a 1-week period. Each video is approximately an hour long. If you can’t make it during these times, you may call Leah at 793-4834 to schedule another time, including the noon hour.
